Primary FAQs

Can I register to vote at my campus address even though I am from another city in Michigan?

Can I register to vote at my campus address even though I am from another state? If so, do I have to do anything special on Election Day?

Absolutely. If you wish to register to vote at your campus address as an out-of-state student, you may do so by presenting a current out-of-state driver's license or MSU student ID.

Do I have to show a photo ID to register to vote?

You do not need a photo ID to register to vote in Michigan. If you register to vote in person, you will be asked to show a photo ID. If you have an acceptable photo ID with you, including a Michigan driver's license or state ID card, **an out-of-state driver's license or state ID card**, or a student ID, you must show it. If not, you can sign a simple form called an affidavit and register to vote.

How to decide where to register to vote

Some things to consider:

- Check deadlines!
- Are there local issues or races that you care about?
- Which location will be easier logistically?
- **Where do you want your vote to count?**
- What's on the ballot?

PROPOSED AMENDMENT TO MCLA 168.11

1 (b) A person cannot be a resident of 2 different states at the same time for purposes of eligibility to vote. Individuals paying non-resident tuition at any Michigan institution have conclusively established that they are residents of another state and are therefore not residents of Michigan and not eligible to vote in Michigan.

(To overcome the presumption, the individual may cast a provisional ballot but must prove to the Secretary of State, within 6 days of that election, current Michigan residency and for the next calendar year.)

1 (c) Each Michigan post-secondary school is required to provide a list of non-citizen students and employees in the United States. The list must be updated and provided to the Secretary of State prior to the 60th day before voting begins in any election for public office in the state of Michigan. The Secretary of State is required to purge from the voter rolls any one on that list.

1 (d) Michigan employers are required to provide a list of non-citizen employees in the United States on a visa. The list must be updated and provided to the Secretary of State prior to the 60th day before voting begins in any election for public office in the state of Michigan. The Secretary of State is required to purge from the voter rolls any one on that list.

PROPOSED AMENDMENT TO MCLA 168.11

1 (b) Every post-secondary school in Michigan is required to emboss the letter "G" on the student identity card of every non-United States citizen.

1 (c) Every post-secondary school in Michigan is required to emboss the letter "O" on the student identity card of every student paying out of state tuition.
